Cllr. Mike van der Eijk	Following the award of the National Lottery Grant last month the mobile Library of Things vehicle has been purchased and an Operator and a Project Administrator have been appointed. The scheme will begin operations next month and initially take in the towns of Ruthin, Mold, Llangollen and Denbigh, linking in with Repair Cafes in each of these towns. In due course it is anticipated that some villages close to these towns may be offered the service which will also support schemes such as Plastic Free Ruthin, ReSource and FoE.
